

# (1) storyboard

2018-2019 cmu safety.

summary =

criminal profile.

call of action.

# (2) user research and changes

questions:

(1).What do you think my story is?

— student 1. master female!

(2).Is it easy to understand and is there anything confusing?

— student 2. undergraduate.

(3).What else do you want to know for this topic?

— a mother having a son in cmu. (not me)

- a banner graph will be cool.
- some icons to help people know the map better.
- add school bus routine maybe? I don't like the
- make comparison with other communities, things to show findings.
- can you visualize the day/night and seasons in a more obvious way?

→ Bar chart is less helpful than Pie chart to show proportion.

→ may be some advice here? or findings?

→ also, pie chart?

→ arrested or not? I may want to know.

→ also want to know other safety information like fire alert.

→ your data is maybe too small.

# (3). modified story board

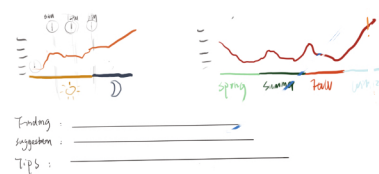

summary:

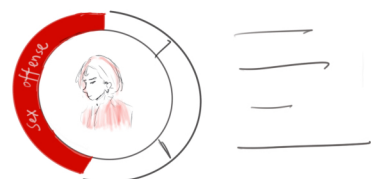

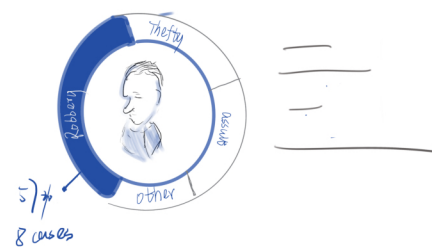

Chapter 1. Locations.

Chapter 2 Time

Chapter 3. victim.

Chapter 4. criminal

Chapter 5.
